

STOP FIRE

G. TTOFATZIAES LTD

CO DETECTOR / ANIXNEYTHΣ MONOΞΕΙΔΙΟΥ PW-912 7 YEAR LIFETIME

2 Year Warranty

Product Features:

1. American technology Electromechanical CO sensor ensures complete accuracy and reliability.
2. Uses a microprocessor for circuit control and gas monitoring to assure performance stability and reliability.
3. Continuous self test function.
4. Automatic sensor adjustment function ensures complete accuracy.
5. End of life warning.
6. Loud alarm signal exceeding 85dB at 3m.
7. Easy to install, move and maintain.
8. Sealed Lithium Battery with no need to change.
9. Complies with the requirements of UL2034 & EN50291.
